

### Headache.

FROM AN EMINENT CLERGYMAN.

Pittsburg, July 9, 1858.

Messer. Boni—Page, Jr. & Co.—  
Gentlemen: I take great pleasure in saying to you that I made use of BOERHAVE'S HOLLAND BITTERS, which I obtained at your store and found special relief of a severe headache, from which I had long suffered, and I believe they were of service to me in relieving my stomach and head.

Very respectfully, &c. SAM'L E.  
BABCOCK.

### HEADACHE AND DEBILITY.

Mr. Silas J. Liscomb, of Birmingham, says: "I have found in BOERHAVE'S HOLLAND BITTERS a remedy for Headache and debility. My wife has also used it with the greatest benefit."

Mr. A. S. Nicholson, of Petersburgh, also remarks that he has experienced much relief from its use for headache.

### STRENGTH AND HEALTH RESTORED.

Mr. John Davidson, living ten miles above Pittsburg, on the Pennsylvania Canal, says:

"When I commenced taking BOERHAVE'S HOLLAND BITTERS, I could hardly walk. Now I enjoy excellent health."

A letter from Edwin Forrest, written to a friend in Wheeling, repeats the declaration of his decision to retire wholly from the stage.

### MARRIED.

On Tuesday evening the 19 instant, at Litchfield, His, by the Rev. Mr. Cummings, Col. A. M. Peetings, to Miss E. D. McFadden, all of Terre Haute, Ind.

One of the most prevalent, and at the same time troublesome and painful diseases that afflict the human race, is the Fever and Ague. For a long time the medical world have been continually bringing forth numerous specifics for its permanent cure; but with effect. Dr. H. H. Webster, an experienced physician, has succeeded in formulating the principal ingredients of a specific for the removal of such Ague. The remedy and its various claimed effects make for the belief that it is superior to any specific of the kind. For the cure of the Fever and Ague, Dr. Webster's specific of French White Willow and Sassafras a specific only over and above other preparations exists.

For those who desire remedies generally, every where, Oct. 12, 1858.

### Mexican Mustang Liniment.

It is eight years since this liniment was first offered to the public. Many millions of bottles have been sold, and it has given better satisfaction than any article ever before tried for similar purposes.

It possesses a specific power over inflammations, and chronic or accidental derangements of the Nerves, Joints, Ligaments or Skin. It is a source of great pleasure to feel that we have been the humble means of relieving such an immense amount of suffering and have caused many thousands to "leap for joy," because their preparations were accepted and their efforts made visible. Unquestionable gratification to those of their obligations to the public, who are engaged in attempting to introduce a specific and valuable article under such circumstances, by representing it to be the same as ours. If Be on your mark! Buy none but the original MEXICAN MUSTANG LINIMENT, and you will be deceived.

G. W. WOODWARD, Originator,  
BARNES & PARK,  
Proprietors, New York.

ALMOST EVERYONE HAS HEARD OF "Wood's Wort Liniment"—that the work "Restorative," "cure-all," no malady, without the testimony of individuals whose elevated position in society, as well as their wealth, can be easily inferred.

It is a well known fact, however, that many persons are easily imposed upon, and that the preparation we are speaking of, and certify to its healing efficacy, in the most public manner possible. Their certificates can be seen at the Proprietor's Depot, 312 Broadway, New York, and once seen and properly appreciated, we have no hesitation, in saying they will impress conviction on the most skeptical mind. Wood's Wort Restorative is, doubtless, the best article of its kind ever produced.

It does not, however, give health, and beauty to the decaying, failing and dead. Restoring, and by magic, that which was supposed to be irreversibly lost, is the work of the Devil, who, in his infinite malice, creates whatever is ugly, and makes it last, despite of all efforts.
